Mail Lite® Rigi Bag Mailers

Mail Lite® Rigi Bag Mailers are a perfect way to despatch a wide variety of non-fragile, low-profile items that require rigid mailing protection.

Mail Lite® Rigi Bag Mailers are ideal for despatching books, photographs, and other low-profile items.

Self-seal closure speeds up packaging operations.

Superior product protection

Extra-rigid, kraft-laminated board construction effectively resists bending and folding while providing maximum corner and edge protection.

Labour saving

Mailer stiffness and smooth inner lining allow quick, easy product insertion. Cohesive self-seal closure speeds up packaging operations.

Environmentally responsive

Made from 75% recycled paper fibre with 62% post-consumer content. Mailers are reusable and recyclable with mixed paper.

Wide choice of sizes

Lets you snugly package a wide variety of different size products, without the need for void fill.

Greater efficiency

Ideal replacement for costly, labour-intensive cartons, padded bags, corrugated folders and mailing tubes. Mail Lite® Rigi Bag Mailers store flat, take up minimal warehouse space and are economical to despatch.
